

Ashmead Road, St John's

£1,400,000

Delightful five bedroom (four of them double), two-and-a-half bathroom end of terrace Victorian house delivered over five floors and 2275 square feet in the St John's Conservation Area close to the well-regarded Ashmead Primary School. An incredible professionally-fitted wine cellar, utility room, conservatory, and a big 85 feet long south-facing garden (with a twist of west and a handy side return) are the cherries on top.

The wide one-way street is of the pretty, tree-lined residential variety with ample residents-only on-street parking. We love the old-fashioned lamps and all round leafiness of the locale, and as this is a 'school street', very little vehicle traffic passes through. Handily, you are but two minutes from St John's Station (Zone 2), and an 8 minute walk from Elverson Road and Deptford Bridge DLR stations. New Cross and Brockley overground stations are also within easy walking distance, and a myriad of local buses run from nearby Lewisham Way and Brookmill Road. Local cycle routes will whizz you safely to the City on dedicated cycle lanes, parks and side streets.
