

## Choumert Grove, Peckham Rye

£975,000

There is nothing average about this Holly Grove Conservation Area home. Three floors and 1150 square feet deliver three bedrooms, a vast reception room, a smart eat-in kitchen, and a double-height bathroom.

Despite its immaculate period-appearance, your new brick-built home was built in 2003. A low-maintenance modern-build property therefore, with the proportions and charm of its Victorian counterparts. More good news is that the property is being sold without a chain.

You are in an end of terrace position on Choumert Grove, winning-at-life close to Peckham Rye Station (Zone 2) and Bellenden Road. The house doesn't have a rear garden so don't expect to find one – however there is a lovely south-west facing front garden you can happily sit out in and watch the world go by, and you are within easy walking distance of Warwick Gardens and Peckham Rye Park and Common's 113 acres.
