

Copleston Road, Peckham Rye

£400,000

Large and light one double bedroom raised ground floor Victorian conversion apartment. High ceilings, double-glazed windows, fresh white walls, and not one but three(!) big bay windows are the order of the day. And you have a nice long lease sealing the deal.

The location is a winning one as well: a popular tree-lined residential street which sits at the top of Choumert Road (your building rests on the corner of both roads) - popping you within a 10 minute walk of both Peckham Rye and East Dulwich stations (both Fare Zone 2). Residents have permit-parking.
